REASSIGNMENT ORDER

The presiding district judges in these actions have individually and collectively determined that these actions are related because they involve civil-rights claims regarding the COVID-19 pandemic and the Nevada Southern Detention

Center, that there is good cause to reassign them to a single district judge under Local Rule 42-1(b), and that transfer will promote judicial efficiency and not result in prejudice to the parties.

IT IS THEREFORE ORDERED that the following cases:

2:20-cv-01252-KJD-DJA

2:20-cv-01279-GMN-DJA

2:20-cv-01309-RFB-NJK

are reassigned to District Judge Jennifer A. Dorsey and Magistrate Judge Cam Ferenbach, **and all future pleadings must so reflect.**
